HOW PAYMENT PROCESSING WORKS

Process credit card payments powered by Clearent EASILY from the Credit for Comfort platform

GO TO PAYMENT TAB

To get started, go to the **payment processing** tab located inside the Credit for Comfort platform.

Good afternoon, Shable!

Estimate and Apply
Leads and History
Set Finance Plans
Payment Processing

OPEN PAYMENT CENTER

Welcome to your Payment Center. On this screen you can view the status of your active EasyLinks

Send EasyLink

There are currently no transactions. Send an EasyLink above to get started.

The tab will take you to your Payment Center. From here you can send an **EasyLink** to your customers that will let them pay for the job with a credit card.

SEND PAYMENT

After you click Send EasyLink**,** this window pops up. Write the customer name, payment amount, and a brief job description, then choose how you'll send EasyLink (via text or email) **and** click **Send**.

To You   10:20 A

Hey Maria Flores

Looks like Custom Comfort has just sent you an **EasyLink Link** for the payment of AC replacement ! You can complete the payment using this link:

https://app-stg.creditforcomfort.com/open-link/dddcd190-97fe-4ee4-882d-547828170323

Keep in mind, this link **will EXPIRE within 24 hours**. Try to complete it sooner rather than later or you'll need to request a new link from Custom Comfort

Best Wishes,

Custom Comfort

↩ Reply

Your customers will receive a text or email that includes a clickable **hyperlink** they can use to fill out their credit card information.

🕐 *Link only lasts 24 hours*

CHECK PAYMENT STATUS

You can check the **status** of any EasyLink application you have sent from the **Payment Center**.
